

Advertising Rate Card

Advertising with Jobvacancies.org makes excellent commercial sense. Your posting will get seen by all the right people – after all, look how highly we rank for key searches.

Nor will your advert be drowned out. We have a 'high-quality content' policy which is strictly operated so, accordingly, only a limited number of adverts will be accepted.

So, whether you're a band looking to get a gig on a cruise ship, a company looking for new sales staff or have a product or service which you think will appeal to job seekers, then look no further.
